

COMMUNITY ASSOCIATION MANAGERS

# We're Open. Come in.

**Did you know that the legislature has reduced your continuing education hours from 20 to 15?**

We do. And we have exactly the right number for you. Need more or less? We have that too.

We are the “**go to**” company for so many reasons: Fred Gray developed the first book for Florida on association laws and management principles over 30 years ago and continuously updates the language according to any changes in the law? Did you know that Fred will return your phone calls and emails answering any questions you have pertaining to Community Association Management? Fred, Courtney, Tom and Suzanne are personally waiting for your call. All this and more... and it's always Free to you.

**For this holiday season, we are offering our former students a substantial discount on our products.**
